FOR IMMEDIATE RELEASE

SILKE COMMUNICATIONS A PROUD SPONSOR OF OPTA -- OREGON PUPIL TRANSPORTATION ASSOCIATION

Silke Communications, a leading western Oregon provider of wireless radio solutions and communication tower services and spectrum, is proud to announce its sponsorship of Oregon Pupil Transportation Association (OPTA).

“Our first commitment to OPTA centered on the School Bus Safety Exercises, and we were so impressed by what the organization offered its members that we decided to step up our support,” says President Jim Silke. “Nationally, 26 million schoolchildren use school buses to get to and from school. We’re excited to help Oregon’s drivers and professionals by helping to underwrite OPTA outreach and programming.”

Silke Communications owns or manages nearly 30 state-of-the-art, fully equipped communications facilities. A full list and map are available at silkecom.com/towers. Based in Eugene, the 45-year old company provides a full range of services, from site construction, maintenance and operation, to delivery of VHF, UHF, 800 Mhz, Conventional, LTR and digital networks. Customers range from large public fleets to small private businesses throughout western Oregon, including Portland, Salem, Newport, Eugene, Florence, Bend, Cottage Grove, Roseburg, Coos Bay, Brookings, Grants Pass, Medford, and Klamath Falls.
